

Sponsorship and Exhibition Packages – FireFit 2023

The National Fire Chiefs Council (NFCC) is the professional body for strategic leaders of the UK fire and rescue services (FRS). NFCC exists to drive the UK fire agenda by representing FRS at national strategic level and by leading national debates and forums. The Council is committed to developing the skills and experience of current and future managers within the UK FRS. CFOA Services Ltd (CSL) manages the events programme on behalf of the Charity.

We manage a comprehensive range of events aimed at a variety of audiences but importantly supporting our networks of members, officers, managers and practitioners from all UK FRSs.
