National Motorcycle Safety Week 2023

Day 6

Devon and Somerset's team have been engaging with bikers across their red routes in a joint venture with the Police and Vision Zero south west. They were in Exmoor today on a risk route stop with their bike crash trailer. The trailer carries a written off bike, damaged leathers and helmet that demonstrate the need to ride safely (The rider lived to ride another day).

Hertfordshire's Fire Bike Team completed their 112th Biker Down course today having now delivered to a total of 1278 of the county's bikers.
